PLANS & REVIEW

Dear Ms. Strong:

This is in response to your three letters of October 3, 2000, regarding the following patent applications:

U.S. Serial No. 06/623,284 - Raytheon Case 84E001 (formerly 33635), ✓ *File*

U.S. Serial No. 06/451,665 - Raytheon Case 82E001 (formerly 32642), and

U.S. Serial No. 05/879,641 - Raytheon Case 78E004 (formerly 31318).

Each of these applications was subject to a Secrecy Order that has been recently rescinded by the U.S. Patent and Trademark Office.

You are advised that the USPTO rescinded the Secrecy Orders upon the request of the Naval Air Systems Command (NAVAIR), and the Department of Defense, acting through NAVAIR, concurs in the rescissions.

If you have any questions, please do not hesitate to call me. I can be reached at 703/696-4821.

Sincerely,

INA G. GRIFFIN
By direction of
Chief of Naval Research

Dear Ms. Griffin:

LICENSING & REVIEW

This is to inform you that we have received a Rescinding Order, dated September 7, 2000, from the Patent and Trademark Office in connection with the subject application. A previous Notice of Allowance was received and withheld on March 20, 1986.

Please confirm that the Department of Defense concurs with the Department of Commerce's decision to allow the subject application to issue into a patent.

We would appreciate receiving confirmation from your office no later than November 3, 2000.

Thank you for the attention given to this matter. If you have any questions, do not hesitate to contact me.

Sincerely,

Marianne G. Strong
